Look What We've Accomplished The Housing Alliance 2005—2009

The last three Legislative sessions have been the best for housing in Oregon history thanks to the hard work and strong coalition represented by the Housing Alliance! The Housing Alliance raised the profile of affordable housing in the Legislature and cultivated legislative champions in the Capitol. Here is a recap of what's been accomplished:

2005: Regular Session

- Expansion of the Oregon Affordable Housing Tax Credit cap by \$2 million.

2007: Regular Session

- \$26 million in new one time funding to house working families, seniors, veterans and people with disabilities, and to preserve existing housing.
- Another \$2 million expansion for the Oregon Affordable Housing Tax Credit.
- Protections for renters displaced by condo conversion.
- Improved protection for manufactured home park residents.

2008: Supplemental Session

- \$2 million to seed the 'Housing Acquisition Fund' to preserve the homes of thousands of vulnerable Oregonians.
- \$4 million for the Oregon Affordable Housing Tax Credit.

2009: Regular Session

- Housing Opportunity Bill creates a dedicated revenue source for affordable housing.
- Tenants living in foreclosed properties gain some protections.
- \$19.4 million in Lottery Backed Bonds were allocated to support preservation of existing affordable housing. \$16.3 million for rent subsidized multi-family housing, and \$3.1 million for manufactured home parks.
- Funding for Emergency Housing Account spared the worst of the budget cuts.
- State Homeless Assistance Program receives level funding from the General Fund.
